

RGIPT - CONNECT

By Abhijeet Parashar

INTRODUCTION

Welcome to RGIPT Connect – your ultimate local guide! Our platform is dedicated to simplifying your life at RGIPT by providing instant access to nearby restaurants, doctors, clothing outlets, emergency services etc. within a 30 KM radius. Navigate seamlessly, make informed decisions, and enhance your local experience with RGIPT Connect – where convenience meets community.

Purpose : To create a comprehensive directory website for RGIPT and its surrounding areas.

Target Audience : Students, faculty and campus residents in the 30 KM proximity.

CONTINUOUS IMPROVEMENT AND EXPANSION

Future Plans

- **Integration with Google maps :** Seamless integration with GPS for precise and efficient navigation.
- **User Accounts :** Introduce personalized accounts allowing users to save favorites, leave reviews, and actively contribute to the platform.
- **Community Engagement :** Foster a sense of community with forums, events, and promotions, creating a vibrant space for interaction and local involvement.
- **Review System :** Implement a robust review system with comments and likes, empowering users to share their experiences and insights, enriching the platform with valuable feedback.
